

Staff Training

Thursday 9th December 2021

Please be advised that Wareham Surgery will be closed from **1:30pm-4:30pm** for staff training.

Whilst we are closed, you should use the NHS 111 service if you urgently need medical help or advice but it's not a life-threatening situation.

Call 111 if you:

- need medical help fast but it's not a 999 emergency
- think you need to go to A&E or need another NHS urgent care service
- need health information or reassurance about what to do next

For less urgent health needs whilst we are closed contact your local pharmacist in the usual way.

For immediate, life-threatening emergencies, continue to call 999.

Thank you for your understanding.
